

Our Mission

Heart City Health is a premier healthcare network providing access to high quality preventive and primary care for our community.

Heart City Health receives Health and Human Services funding and has Federal Public Health Service deemed status with respect to certain health or health-related claims, including medical malpractice claims, for itself and its covered individuals.

The project described was supported by Funding Opportunity Number NAVCA150204 01-00 from the Centers for Medicare & Medicaid Services. The contents provided are solely the responsibility of the authors and do not necessarily represent the official views of HHS or any of its agencies.
